NOTE to Travelers:

It is not recommended to book ALL travel arrangements in advance, allowing flexibility for scheduling Peer Team and Matrix Team meetings which are planned starting at month 2.

Missed Sessions:

The monthly sessions are beneficial both for the content they provide, and for the opportunity for peer coaching, networking and benchmarking. We also recognize that due to travel and vacation schedules, participants may miss at times. In this case, participants can "make-up" the session either at the next region's offering, or at one of the other regional locations. See the I Need to Make Up a Session schedule on your Resource Page.
