

Beverly Wallace

Executive Leadership Coach

Beverly is an executive leadership coach certified with the International Coaching Federation (ICF). She specializes in accelerating leaders' growth, helping them overcome barriers and create impactful, sustainable results. She has nearly twenty years of leadership development experience and most recently was the Vice President of Executive Development at a Fortune 50 company. She is originally from Southern California and relocated to the NYC area with her husband and mini dachshund, Jarvis. She enjoys yoga, hiking, travel, and running on the beach.
