

**DEVELOPING LEADERS WHO DELIVER RESULTS**

**You are cordially invited to our  
Leadership Legacy Event**

**Celebrating Connections: Changing Our World**

Please join us as we honor the legacy of WUI's late Founder, Jean M. Otte. Jean positively impacted the lives of many women *and* men. She was a leader and a visionary who changed the world. The legacy she built continues to resonate with individuals and corporations across the country.

Since Jean's passing this May, both those whom she touched directly and those who know of her impact have asked for a way to pay tribute to her. In response, we have designed these Leadership Legacy events to honor this amazing architect of change.

To further honor Jean's memory, WOMEN Unlimited, Inc. has partnered with [Dress for Success](#) for all of our Legacy Events. Like Jean and WOMEN Unlimited, Dress for Success believes in the power of change through action. A donation drive will take place during our event. *See details for donating below.*
