

## Sample Mentor Discussion Questions

- Ask your mentor (and your peer team!) to give you feedback, in terms of your confidence and communication. What would they say is your greatest strength, and your greatest opportunity for improvement?
- Do you have a “personal brand?” How has it evolved?
- What are the most important things to consider when trying to build my visibility within UNDP?
- How do you create strong first impressions, especially with senior leaders?
- How do you talk about your contributions, without it being seen as "bragging"?
- Have you always been confident? And if not, what did you do to increase your confidence?
