## THE FEW—THE FORUMS FOR EXECUTIVE WOMEN

### Why Leading Companies Choose The FEW

- Offers senior level women the opportunity to participate in an executive development program with women from other leading organizations
- Identifies senior leadership competencies and development opportunities with proven approaches for career growth
- Provides an opportunity to network with senior level women to gain insights in an ever-changing business environment
- Focuses on executive leadership best practices, clarifying goals and enhancing skills and knowledge

### Why The FEW Works

The FEW offers a 12 session, by-invitation-only program, for high level women executives from diverse corporate backgrounds. Participating top executives focus on developing business strategies suitable for the current complex global environment and work with advanced approaches for developing strategic alliances. Typical subject areas include:

- The Savvy Executive
- Creating an Executive Foundation
- Executive Presence
- The Influential Executive
- High Impact Communication
- Virtual and Global Leadership

### Who Is Eligible?

- In Fortune 1000 companies: Women who report no more than 3 levels below the CEO/President
- In small to mid-sized companies: Women who report no more than 2 levels below the CEO/President
- *By invitation only*

### What Is the Commitment?

- \$14,500 for the entire twelve-month experience
- Includes all materials, mentoring and mentor coaching, manager coaching, on-the-job follow up, long-term assessment and evaluation
- Includes membership in alumnae network
