

## **Leadership Call to Action**

### **“Reconnect, Reflect and Recommit”**

#### **Subject: Reconnect, Reflect and Recommit**

The purpose of this meeting was to provide an opportunity to come together in a virtual forum to renew relationships, refresh key learnings and share how we have continued developing as leaders. Participants had the opportunity to share their accomplishments and celebrate success – again!

#### **Individual Call to Action**

It is now truly all about you. We challenge you to stay connected with each other and with WOMEN Unlimited, Inc. through the benefits of The WUN | **WOMEN U**nlimited Alumnae **N**etwork and your internal WOMEN Unlimited, Inc. alumnae. We encourage you to support other women in our program by:

- Nominating their participation for both LEAD and IMpower
- Creating a support structure for current participants by reaching out and sharing your key learnings
- Providing mentoring and support for others
- Growing your network by adding a mentor to your 'board of directors'
- Nominating senior leaders within your own network (in or outside your company) as mentors or speakers for WUI. In particular, look at those who could add value as well as grow from the experience.
- Be sure to participate in upcoming The WUN events!
